

**Masterclass in Retinopathy of prematurity (ROP)
28 May 2024
Program**

**Persistent ROP
OFF guidelines treatment
Follow-up after antiVEGF**

8h30 : Introduction
Dr Georges CAPUTO

Session 1 : ROP from ophthalmological point of view

8h40 : Literature review: AntiVEGF and retreatments in ROP
Dr F. METGE

8h50 : Update on the epidemiology and classification of ROP: nano-preterm/ Oxygen-induced
retinopathy
Dr CHAPRON

9h00 : Update on the risk factors and screening of ROP
Pr A. DARUICH (NEM)

9h10: Preferences and trends in ROP in France: A questionnaire
Dr Abdelmassih/BARJOL

9h15: Treatment outside the recommended ROP guidelines
Dr A. BARJOL

9h25: Aberration and limits of OFF-guidelines treatment in ROP
Dr Georges CAPUTO

9h35: ROP in daily practice at HFAR

Anti-VEGF in ROP: experience and outcomes
Dr CATANIA

Non-regressive ROP
Dr SANTORINI

Practice of IVI in ROP (IVI in ROP: step by step)
Dr MILHEIRO

Summary of new clinical forms of ROP
Dr BARJOL

9h55-10h10: *Discussion led by Dr Aurore AZIZ*

10h10 : Pause

Session 2 : ROP from another perspective

10h30: Role of Neonatologist in ROP: Post treatment management, neurological and pulmonary outcomes
Neonatology Team

10h45: Managing anaesthesia for ROP treatment: laser and IVI
Anaesthesia Team of HFAR

11h: Italian experience with Anti-VEGF therapy: methods of follow up and retreatment
Pr LEPORE

11h15: Assessment of Visual function in preterm at high risk for visual deficiency
Dr RICCI

11h30: Management of low vision in preterm children
Dr AMORE

11h45: Neurovisual and cognitive impairment in preterm: methods of evaluation
Dr Léa CONVERSY (I3N)

11H15-11h45: *Discussion (Pr LEPORE)*

Lunch 12h-14h

14H : Brainstorming about new challenges in ROP management

Persistent ROP : who to treat ? How to follow?

Which anti-VEGF to choose?

Follow-up after anti-VEGF: which vascular abnormalities to tolerate

16h: End of the meeting

Lieu : Espace NIEMEYER 2 Place du Colonel Fabien 75019 Paris : Salle de conférence

Renseignements & Inscription:

Droits d'entrée : libres

Inscription obligatoire par mail : etoupry@for.paris
